PRESS RELEASE

DRIVING WHILE INTOXICATED, POSSESSION OF A CONTROLLED SUBSTANCE

MONDAY FEBRUARY 11, 2013

On Saturday February 09, 2013 at 11:35pm, a Patrol Officer was advised by dispatch that a gold in color passenger car was following a black Chevy Pickup heading Westbound on Business 77 that was swerving on the road. A Patrol Officer noticed a black Chevy Pickup in the turning lane located on FM 509 and West Business 77. The pickup did not have the turn signal indicating a turn. When the light turned green, the pickup continued straight striking the concrete corner of the intersection. The Patrol Officer activated the overhead lights in an attempt to stop the truck. When the patrol officer made contact with the driver, a strong odor of alcohol was detected on the driver. The driver is 63 year old Teresa Lugo Abrego. The Officer performed the Standardized Field Sobriety Test to which Mrs. Abrego gave numerous clues of being intoxicated. The Officer arrested and charged her with Driving While Intoxicated and transported her to the city jail for booking. During the booking process, the officer located a pack of pills and 2 light pink half pills in her purse and no prescription for having them. She was also charged with Possession of a Controlled Substance. Judge Benjamin Yudesis arraigned her and bond was set at \$13,000 dollars.
