CONSENT FOR VACCINATION

I've had the opportunity to discuss my concerns with my doctor. If I experience any adverse effects after leaving, I will notify my primary care provider and administrator. **I have reviewed the Emergency Use Authorization face sheet provided to me today.** The administration of this vaccine does not create a patient provider relationship between administrator and recipient. I understand that my information and vaccination status will be reported to the state. I understand the benefits and risks of the vaccine and freely and voluntarily request to receive the COVID-19 vaccine.
